Bulletin: No. 2019-23

Subject: **Partial Restoration of Reimbursement for Select Courses in the Robert Presley Institute of Investigations (ICI)**

In past years, POST realigned the reimbursement of many courses to address declining budget allocations. This realignment resulted in a suspension of reimbursement for courses in the Robert Presley Institute of Investigations (ICI) program.

On June 27, 2019, Governor Newsom signed the state budget for Fiscal Year (FY) 2019-20. This budget included an augmentation for POST with General Fund monies. Much of the funding is dedicated to address critical contemporary needs identified by the Legislature and Governor, but POST also received monies to restore other programs for POST stakeholders. POST will be carefully evaluating which courses may receive a restoration of reimbursement, prioritized based on the direction of the Legislature and Governor, as well as POST regulatory mandates.

Accordingly, effective August 1, 2019, the following courses in the Robert Presley Institute of Investigations (ICI) will be removed from the reimbursement suspension status:

Core Course (CCN 26000)
Child Abuse (CCN 32340)
Domestic Violence Investigation (CCN 32415)
Homicide Investigations (CCN 31921)
Officer Involved Shooting Investigation (CCN 22450)

The remaining course reimbursement suspensions reflected in Bulletin No. 2017-39 will remain in effect until further notice.

Questions regarding restoration of reimbursement for select courses in the Robert Presley Institute of Investigations (ICI) may be directed to Senior Consultant [Charles Evans](#), at or (916) 227-3902.
