APPLICANT COMMITMENT STATEMENT

The following Commitment Statement must be signed by the applicant:

“I understand that once committed to attend the Master Instructor Certification Course, I will be involved in an intensive training and education program for a period of twelve months—a program that will require commitment of my time, energy and dedication. This goal requires a commitment to achieve excellence as a trainer.”

“I understand that I am committing to complete considerable reading, research and writing assignments between workshops on my own time, attend all in-person workshops, attend all online meetings between workshops, and to participate in all program activities through active class participation.”

“I agree that all assignments and projects required to complete the program will be my own independent, original work, supported by thorough research, and that they will be completed by the assigned due dates. I understand that all documents, reports and materials I prepare will become the property of the POST Instructor Development Institute with the understanding that the project will be shared with other law enforcement trainers.”

“I understand that when I am accepted in to the Master Instructor Certification Course, and when I am graduated from that program, my name, title, employing agency or institution, and possible class photo, will be printed in POST publications, unless I express otherwise.”

“I agree that if I do not attend the scheduled programs and/or do not complete the required projects, reports, and assignments, that I will be dropped from the program.”

“Regardless of my specific job assignment, I commit to remain involved in California public law enforcement training for a minimum of three years following graduation. I also commit to supporting other public safety trainers through mentoring, coaching and representing the IDI program well in the field and at my agency.”

“If accepted into the Master Instructor Certification Course, I am willing to make this personal commitment to the program.”
